

CELTIC Print Services Wall Signage

The wall graphics will include the following elements:

- 1. Wall Paint:** The wall will be painted in a warm grey tone that complements the carpet. This color will wrap around from the elevator to the shop.
- 2. Long Banner:** A long banner will be printed and installed, centered on the wall, extending across its length.
- 3. Column:** The column will be painted green all around, with vinyl decal letters and a clover installed at the top.
- 4. Vinyl Letters:** Vinyl letters will be installed on the wall above the service window.
