At the heart of Carlow University's mission to create a more just and merciful world is an almost 200-year-old story of abiding faith, compassion and, of course, mercy. On September 28th, 2024, we'll screen and discuss *Walking Into the Chaos of Others*, a new documentary about the Sisters of Mercy's "House on Baggot Street", the devotion of founder Sister Catherine McAuley to serving Dublin's poor, and the order's founding of Carlow University in 1929.
